

Diagnostic Imaging Common Service (DI CS) Data Contributors

September 2019

The DI CS is the provincial DI repository containing reports and images submitted by hospitals and independent health facilities to the province's three regional Diagnostic Imaging Repositories (DI-rs). Reports and images are available on a go forward basis from the organization's contribution start dates as outlined below.

Modalities include:

- X-ray
- CT Scan
- MRI
- Ultrasound
- Mammography
- Angiography
- Fluoroscopy
- PET Scan
- Nuclear Medicine
- Bone Mineral Density

Note: Organizations may differ in the types of modalities that are contributed.
