

ONE Mail Direct

For Small Health Care Organizations and Individuals

ONE Mail Direct is a secure email service designed specifically for small organizations and individual regulated health care professionals in Ontario. This encrypted service, hosted in our highly-secure infrastructure allows users to securely and confidentially exchange patient health information or personal information with other ONE Mail users.

Benefits

- ✓ Securely exchange patient information with over 800 organizations, representing 390,000 registered users across the health care continuum.
- ✓ No Cost – free to Ontario health care providers.
- ✓ A dedicated resource will assist you with your initial setup.
- ✓ 99% up-time, premier disaster recovery capabilities and 24/7 support.
- ✓ Worry-free setup. No need for on-site mail server; self-manage your, or your organization's, user accounts with ease.

Sign Up for ONE Mail Direct

Health Care Organizations

Download the Request for Service form on our website and return it completed to us at onemailinfo@ehealthontario.on.ca.

Family physicians can now visit [The College of Physicians and Surgeons of Ontario's website \(http://www.cpso.on.ca/\)](http://www.cpso.on.ca/) to register for a ONE ID account and self-enrol for an individual ONE Direct mailbox.
